Firestar

Firestar: I want to do a documentary on my life and show all this
Sandstorm: *sarcastically* great idea, why don't you call it
Warriors: Into The Wild

Firepaw

Firepaw, glaring at Tigerclaw: I knew you were trouble when you walked in.
Firepaw, points to Graypaw's dead mentor: now he's lion on the cold hard ground.

Stick x Jay

Stick: Honey, do you like my new shoes?
Jayfeather: You are stick darling.
Stick: I can dream Jayfeather!

(last one fore tonight xD))

Ravenpaw & Greypaw

[image]

Ravenpaw and Graypaw in battle

Ravenpaw: We're going to die.
Graypaw: Think positive!
Ravenpaw: Okay. I am positive we're going to die.

Jake is your daddy

[image]

Then, we get a cool fact:
Jake is Ruby, Socks, and Tiny's father.
But this isn't suprising.
Jake is everyone's father.
Jake is your father.

Tigerstar

[image]

Tigerclaw quietly throws a tantrum

((i love him so much now omg))

Greypaw & Dustpaw

[image]

Greypaw: girls girls, you're both pretty now can you please shut up
Dustpaw: I'm not a girl
Greypaw: neither is Firepaw but he's not complaining

((i will post four a day my family!))

Whitestorm

[image]

When he was a kit, poor Whitestorm was called Longneck...

((I HAVE TO POST THIS ONE BECAUSE IT MADE ME LAUGH!! SO MUCH THINGS GOING ON IN ONE PICTURE LMAOOO))

Firestar & Tallstar

-Traveling to the new territory-

Firestar: -to the other leaders- Alright, guys, we just have to keep going straight.
Tallstar: Wait. Repeat that?
Firestar: ...we have to keep going strai-..
Tallstar: Yeah, that's what I thought you said. Just for that, me and all of WindClan are taking three extra laps in a circle and then we're traveling zigzag.

Greystripe & Firestar

[image]

"For the last time, Greystripe-"

Crowfeather

[image]

Crowfeather: oh, yes, i love all of my kits! lionblaze, jayfeather, hollyleaf and...

Ravenpaw

[image]

"Let me explain something to you Firepaw. You know how they say warriors have no fear of death? That they're not gonna get hurt? Well not me ok? I was born with the gift of fear. I remember being four moons old being pushed out of the nursery thinking 'this is how it ends'."
• Ravenpaw •

((Omg thank you guys for making my book such a big hit in like just three days! Tag people who would like this book! We gotta make this book to 1K now!!))

Holly, Lion, Jay

Hollyleaf: how do you plead?
Lionblaze: [looks at Jayfeather]
Jayfeather: [mouths "not guilty"]
Lionblaze: hot milky
Jayfeather: *bangs head on ground* just lock him up

Bluestar's Decision

[image]

Fireheart brings his sisters fluffiest child to camp to be his new best friend since Graystripe keeps blowing him off for his sexy girlfriend.

Bluestar: What should we do with it??
Tigerclaw: Let's throw it in the garbage can!!!
Bluestar: We'll keep it then.

Lionblaze

[image]

Lionblaze (to Jayfeather): Just one of those little joys in life you take for granted you know.
This miraculous gift of vision.

Who To Fight

[image]

Firestar: I mean you can try but since he's the True Good™ character you'll probably lose

Greystripe: 50/50 chance. He could probably just sit on you until you beg for mercy

Ravenpaw: no. Don't fight him. He is a Precious Cinnamon Roll and should not be forced to fight

Tigerstar: bad idea but at least if you win you'll save the Clans

Scourge: um??? Dog tooth claws???? He is proof that short people are dangerous. Don't fight Scourge

Squirrelflight: nah she'd kick your ass. Don't fight her

Bramblestar: no

Jayfeather: I mean you'd probably win but he's Blind so you'd also kind of be an asshole to fight him

Hollyleaf: why. She's been through so much and could still give you a beatdown don't fight Hollyleaf

Lionblaze: HE IS LITERALLY INVINCIBLE DO NOT FIGHT LIONBLAZE

Dovewing: looks like an easy fight but she'd actually kick your ass

Ivypool: looks like she could kick your ass and certainly could

Berrynose: sure go ahead. He'd probably fight his own reflection I'm sure he'd fight you lol

Cloudtail: much like Graystripe he could just sit on you

Ashfur: a capable fighter but also an asshole. Go ahead and fight him.

Darkstripe: easy win. The equivalent of an Incompetent Henchman.

Who would you fight?
((freaking Dovewing igaf))

How Windclan actually Settled

[image]

Mistyfoot: Oh this place is perfect for RiverClan! There's a nice wide stream with stepping stones and reeds for shelter, there'a nice little island and plenty of fish.
Tawnypelt: This place is great for ShadowClan. We're got pine trees and soft ground, there's a nice thicket for our camp, and even my brother thinks it's a little bit evil.
Squirrelflight: This is great for ThunderClan! The woods have plenty of shelter and prey, and this gorge is deserted and completely hidden with caves and stuff for shelter!
Crowfeather: RABBITS
